## ABOUT THE ORGANISATION

The Updated Law Society is a dynamic academic forum committed to advancing the study and practice of law through meaningful engagement, critical scholarship, and interdisciplinary exploration. Established with the vision of nurturing a culture of informed legal discourse, the Society serves as a platform where students, researchers, practitioners, and academicians can come together to deliberate on issues of legal, social, and policy relevance. By organizing research initiatives, publications, and academic collaborations, the Society seeks to bridge the gap between theoretical insights and practical applications in the legal field. In keeping with its mission of fostering high quality scholarship, the Society has consistently encouraged interdisciplinary approaches that go beyond traditional boundaries of law.

For this particular initiative, the Society is collaborating with Jayasree Publications, a reputed academic publisher known for its commitment to producing rigorous, relevant, and impactful scholarship. Over the years, Jayasree Publications has earned a strong reputation for bringing out works that are not only academically robust but also accessible to a wider readership of professionals and students.

This collaboration between the Updated Law Society and Jayasree Publications represents a shared commitment to knowledge creation and dissemination. Together, they aim to provide contributors with a respected platform to showcase their research, engage with critical issues, and contribute to a publication that will serve as a valuable resource for the global community of legal scholars and professionals.
