ABOUT NMIMS LAW REVIEW

SVKM's NMIMS is a privately deemed university located in Mumbai. Further, NMIMS Law Review is the flagship law journal of NMIMS Kirit P. Mehta School of Law, Mumbai, established with the objective of providing a forum for students to engage in quality legal discourse that captures the zeitgeist of contemporary legal issues.

With this, the journal strives to promote and foster a culture of serious academic research and writing. The remit of the journal is not just limited to any particular area of law, and submissions of an interdisciplinary nature analyzing contemporary legal issues are encouraged.

CATEGORIES FOR PUBLICATION

BOOK REVIEW (2000-4000 WORDS):

01

Book reviews are welcome. The review must be a crisp account of recently published books with respect to the themes, including the issues explored and the author's related arguments.

CASE NOTES & COMMENTS (1500-3000 WORDS)

02

This category includes both case notes and comments that involve a pivotal assessment of any recent/landmark judicial pronouncement, legislation, or bill. The focus must be on a relatively recent bill pronouncement or legislation.

SHORT ARTICLES (3000-5000 WORDS)

03

This category includes submissions that conduct an in-depth study of more specific issues and, albeit in a concise manner, give the reader an insight into the legal issue identified by the author.

LONG ARTICLES (5000-8000 WORDS)

04

This category includes submissions that comprehensively analyse a contemporary legal issue that the author(s) seeks to highlight. It must either indicate the lacunae or holistically cover the subject matter while offering a critical analysis of the chosen theme.
