Internship overview

Your Responsibilities

Each blog is typically 800–1,200 words and takes approximately 4–8 hours including research. Research & write well-crafted legal blogs on current case laws and everyday legal scenarios. Choose your niche from our practice areas and enjoy complete flexibility. Work 100% remotely at your own pace — no deadlines, entirely self-paced.

INTERESTED STUDENTS MAY SEND THEIR RESUME TO THIS EMAIL:

internshipblacklegallassociates@gmail.com

How It Works

Pick any topic from our practice areas, research thoroughly, and write a reader-friendly legal blog. Enjoy complete flexibility — no deadlines, fully self-paced.

Submit & Review

- Submit your blog.
- Editorial review.
- Suggested revisions.
- Approval.
- Publication/credit.

— Earn Your Credentials

Upon approval of 7 blogs, receive your official Internship Certificate and 12 blogs to get a personalized Letter of Recommendation — powerful credentials for your legal career.

Publication Policy

Selected blogs may be published on Black Legal Associates' website with appropriate author credit after editorial review.

Who Should Apply

LLM/LLB students (any year) or recent graduates passionate about legal writing & research. Individuals seeking real-world legal topic experience to add certified credentials to their CV. No deadlines — entirely self-paced.

What You'll Gain

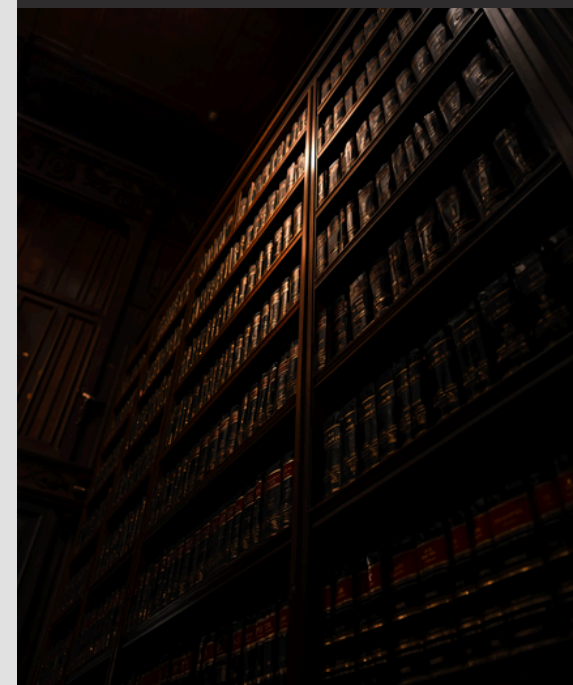

Hands-on legal research & writing experience. Published blogs in real practice area niches. Official Internship Certificate from an established firm. Personalized Letter of Recommendation for higher studies or jobs.

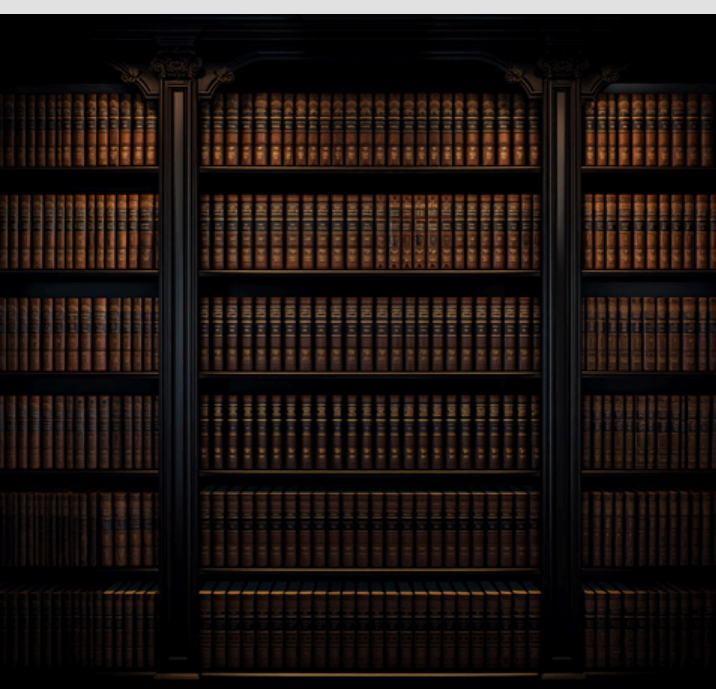

Your Milestones

7 BLOGS = Internship Certificate from Black Legal Associates. 12 BLOGS = Personalized LOR to strengthen your career applications. Portfolio of published legal content. 100% Remote — work at your own pace.

What You Gain

Portfolio of published legal content across diverse practice areas. Fully remote work with complete flexibility and no deadlines. Practical experience bridging academic learning and real-world legal writing skills.
