ABOUT

nlu assam

The National Law University and Judicial Academy, Assam was established under the National Law University and Judicial Academy, Assam Act, 2009 (Act No. XXV of 2009), making it the fourteenth National Law University in the country. Located in Guwahati and commencing academic operations in 2011, the University is spread across 50 acres at Amingaon, on the north bank of the Brahmaputra River, against the backdrop of the surrounding hills.

The University has established several research centres dedicated to advancing legal scholarship, with a particular focus on socio-legal issues affecting the North-East region. These centres regularly organise seminars, conferences, training programmes, and research initiatives.

ABOUT

society for technology & law

The Society for Technology and Law is committed to advancing academic excellence at the intersection of technology and law. Through its research and publications, the Society seeks to deepen understanding of this rapidly evolving field, foster informed discourse, and create a platform for meaningful intellectual exchange on the relationship between emerging technologies and the legal landscape.
