Model United Nations, often known as Model UN or MUN, is an educational simulation and academic activity in which students can study about diplomacy, international relations, and the United Nations. MUN, or Model United Nations, is an extracurricular activity where students portray UN committees and delegates in role-playing scenarios.

Delegates, who attend Model UN conferences, are assigned to committees and designated with nations, or occasionally other organizations or political leaders, where they represent being members of that body. Their assignments and the issue of topics that their respective committee will debate are given to them before hand. Before conferences, delegates gather information and develop view points that they will subsequently discuss with other delegates in the committee while adhering to the official position of the member they represent.

NOTE FROM SECRETARY GENERAL

Dear Delegates,

We are delighted to welcome you to the 8th edition of VLS MUN, taking place on the 23rd and 24th of October 2026. Your participation in this esteemed event greatly enhances its significance, and we sincerely appreciate your time and support.

Since its inception in 2018, VLS MUN has ardently fostered the pursuit of knowledge, nurturing the minds of youth. Our motto, "Compare. Compete. Conquer," weaves a tapestry of thought:

- To compare is to explore the myriad hues of insight on a shared stage,
- To compete is to engage in spirited discourse, a dance of ideas that ignites the intellect,
- To conquer is to rise against adversity, crafting resolutions that echo through time.

Through these guiding principles, we aspire to cultivate a generation of enlightened souls, ready to embrace the world with courage and conviction. Each iteration of VLS MUN ushers in novel perspectives, coupled with a renewed commitment to intellectual advancement. It offers an opportunity to confront real-world challenges, practice diplomacy "as though wielding both sword and shield," and develop confidence, much like forging steel in the furnace of debate and negotiation.

We are certain that this edition will provide a truly unforgettable experience for all participants, greatly enhanced by the knowledge and contributions of distinguished guests like yourself. Your presence will enrich the very fabric of the event, reminding us that, as Plato once said, "knowledge becomes evil if the aim be not virtuous." Once more, we welcome you to participate in VLS MUN 2026. We look forward to the honour of hosting you and are confident you will find this experience to be both intellectually invigorating and profoundly enriching.

Warm regards,
K G Sai Samyukhtha
Secretary General
